**Location:** Maple Valley, WA

**Date:** Saturday, May 10, 2008. Held under USCF rules. Permit 2008-589.

**Course:** The Ravensdale-Cumberland Road Race features a rolling 28 mile loop in rural SE King County. While there are no sustained climbs, the course is constantly undulating and includes a combination of wide roads with shoulder and winding narrow roads, which should be favorable to a small break staying away. Pavement is fair to very good. The finish line will be off the main course loop and is a rolling climb. A course map and profile can be found at <http://www.4cornerscycling.com/>
